TitaniumGP

PRICE SHEET · November 4, 2026

TitaniumGP Suite

One subscription for your whole Dynamics GP site. Every tool, every user. No tiers, no modules.

FOUNDING PRICE (US DOLLARS)

Monthly

$399 /month

Billed every month, in advance
Cancel any time

Yearly SAVE $600

$349 /month

Billed once a year: $4,188
$600 less than paying monthly

Locked for as long as you stay subscribed. For the first 200 customers who subscribe by December 31, 2026.
Regular price after that: $499/month, or $449/month billed yearly ($5,388). Prices exclude applicable taxes.

WHAT'S INCLUDED

- **TGP+ for Excel, with AI.** Live GP data in Excel, plain-English reports with the SQL shown before it runs, and 18 GP worksheet functions.
- **The productivity suite: all 8 tools.** Copy/Paste, Elastic Windows, The Button, TGP Validate, TGP Remember, TGP Resources, TGP Safe and NextID.
- **TGP Sentry.** Confidence scoring and flagged issues on purchase orders, vendors and inventory.
- **Priority support and onboarding.** A 15–30 minute install and a person on the other end of the phone.
- **Everything we add later.** New products and features are included when they ship, at no extra charge.

TERMS AT A GLANCE

Founding price	Kept at renewal and when new products ship; kept if you switch monthly/yearly. Ends if the subscription is cancelled.
Who is covered	Everyone at your organization who uses Dynamics GP or Excel. No per-seat count.
What a "site" is	One Dynamics GP system database on one SQL Server instance.
Free trial	30 days, no card needed.
Renewal	Renews automatically until cancelled; cancelling takes effect at the end of the paid period.
How to pay	Card through Stripe secure checkout. Invoice, ACH or check available on request.
Agreements	Software License Agreement and Subscription Terms at titaniumgp.com/legal
